Safety Survey

OPEN NOW

HAVE YOUR SAY

in the **volunteer and staff safety surveys**

16 June – 6 July 2025

To save lives at sea we must first keep our own people safe. As one crew, we want all our people to be kept healthy and safe.

We want to collate feedback on how keeping people safe is led and managed at the RNLI.

This feedback, from each one of you is vitally important to our collective safety, so thank you for taking part.

This survey is not open to seasonal lifeguards and face-to-face fundraisers who will be surveyed separately in August when they are all in role.

How to complete your survey

You will be sent a personal survey link to your RNLI or personal email address on **Monday 16th June**.

If you haven't received the email, please scan the relevant QR code below. You'll be asked to enter a few details to confirm you are an RNLI volunteer or member of staff, then you'll be able to complete the survey.
