YOUR HELP COULD SAVE LIVES

Thank you for deciding to raise money for the RNLI. As a charity we rely entirely on the generosity and dedication of wonderful people like you.

Your support ensures we can maintain our 24/7 lifesaving service around the coasts of the UK and Ireland, now and in the future. In fact, our volunteer lifeboat crews and our lifeguards couldn't do their vital work without people like you doing sponsored runs, baking cakes, holding events and coming up with ingenious ways to raise funds.

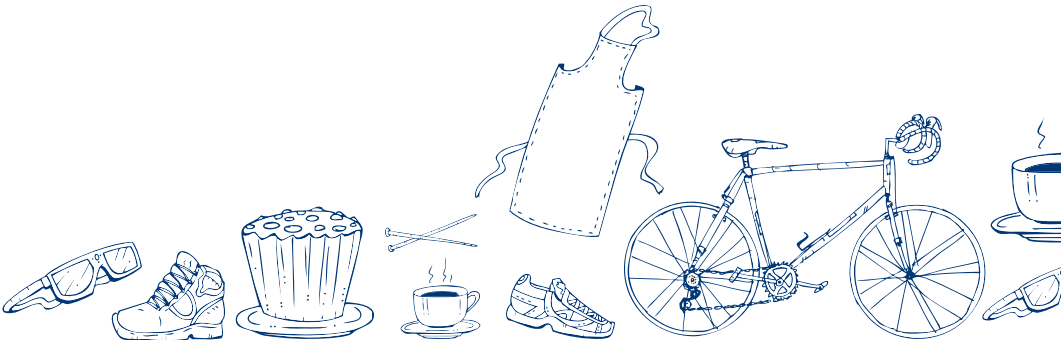

However you're supporting our lifesavers, we will be with you every step of the way. We're here to help you with any questions you might have, and with fundraising tips and resources.

Every penny you raise will help in our mission to end preventable drowning and save every one.

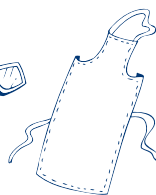

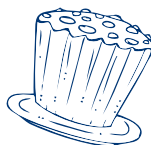

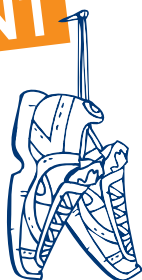

From all of us at the RNLI: you are a legend – thank you.

YOUR EVENT

FROM FONDANTS TO FUN RUNS

Whether it's a cake sale or a sponsored run, we can help you reach your fundraising goal. If you're looking for some more ideas, here's a bit of inspiration ...

BAKE SALES

TIP: Why not channel your inner Mary Berry and give your bake sale a theme? RNLI-themed bakes always go down a treat – try decorating your cakes in lifeboat orange or lifeguard yellow. Remember to follow food safety guidelines and ensure all products have ingredients listed with any allergens highlighted.

COFFEE MORNINGS AND AFTERNOON TEA PARTIES

TIP: Give your event a vintage or regional theme, influencing the décor, dress code and menu. If you're serving food, visit food.gov.uk (UK) or fsai.ie (Ireland) for food safety and hygiene guidance.

KARAOKE, GIGS AND QUIZ NIGHTS

TIP: Remember to sell tickets on the door and have collection buckets dotted around to encourage extra donations. You might also need a licence and insurance for a music event, especially if it's late, on hired premises or involves alcohol.

RAFFLES, AUCTIONS AND TOMBOLAS

TIP: Raffles and auctions are a great way to raise money so why not try asking friends, family and local businesses to donate prizes to help support your event. But remember, these kind of activities do have strict laws relating to them and sometimes require a licence. Please check with your local authority to find out if you need to make an application.

RUNS, SWIMS, CYCLES AND TREKS

TIP: Completing a Herculean task or challenge – like swimming the Channel or running a 10K – is a great way to generate publicity and get sponsored.

If you're organising an event, check if you need insurance and ensure that all participants are fit and prepared for the challenge. During the planning stages of your event, it's also important to think about risk assessments and safety plans.
